

# Lockdown

Anvil

Tiger in a cage  
Feeling the rage  
Victim of a plight  
Poison in the air  
Feeling the terror  
Darkness devours the light  
The darkness devours the light

Sickness all around  
Vaccine will soon be found  
To end this misery  
Trapped in quarantine  
By Covid-19  
Stop this calamity  
Stop this calamity

Lockdown  
Caught in a lockdown  
Lockdown  
Caught in a lockdown

Nowhere to run to  
Nowhere to hide

Breaking the chain  
Releasing the pain  
Freedom must arise  
Breathing the same air  
Not having to care  
I'm glad to be alive  
I'm glad to be alive

Lockdown  
Caught in a lockdown  
Lockdown  
Caught in a lockdown  
Lockdown  
Caught in a lockdown  
Lockdown  
Caught in a lockdown
