

# Pay the Toll

Anvil

Like walking into darkness not knowing what you'll find  
Paying the piper and leave my debts behind  
Backwards and forwards it will always be the same  
Pay back foreclosure, learn to play the game  
Pay the toll; Pay the toll...for Rock n Roll, Pay the toll, Pay  
the toll  
In order to receive, give everything I've got  
Grateful for the chance and taking my best shot  
Pay the toll; Pay the toll...for Rock n Roll, Pay the toll, Pay  
the toll...for Rock n Roll  
Bring light into the darkness, knowing what you'll find  
Planning for the future leave your fear behind  
Forwards and backwards it will always be the same  
Payment for the glory is how to play the game....how to play th  
e game  
Pay the toll; Pay the toll...for Rock n Roll,  
Pay the toll, Pay the toll....for Rock n Roll
