

Rock That Shit

Anvil

When the lights go down I'm stage bound
Can't wait for the sound
Gonna shake the ground

Gonna shake the ground
Nothing will stop
Not even a cop
Gotta stay on top
Let's go to the hop
Let's go to the hop

Gotta do it right
Rock with all your might
Heavy metal fight
Rock that shit tonight
Rock that shit tonight
Rock
Rock

Feel the pounding beat
Subsonic treat
Can't compete
It's a meet and greet
Now ya know the deal
Give in to the feel Something to reveal
It's a rock and roll meal

Gotta do it right
Rock with all your might
Heavy metal fight
Rock that shit tonight
Rock that shit tonight
Rock
Rock

When the lights go down
You know where I'm found
I'm making the sound
Breaking new ground
Breaking new ground
Nothing will stop
Not even a cop
Gotta stay on top
Let's go to the hop
Let's go to the hop

Gotta do it right
Rock with all your might
Heavy metal fight
Rock that shit tonight
Rock that shit tonight
Rock
Rock

Rock that shit tonight
Rock that shit tonight
Rock

Rock
Rock that shit
Rock that shit
Rock that shit tonight
