

Nothing For Christmas

Any Given Sin

Ain't got no tinsel, got no mistletoe
Ain't no presents underneath no tree
Ripped down my chimney, barred the windows
Know that Santa, he ain't bothering me

I don't need nothing for Christmas
I don't need nothing for Christmas
I don't need nothing for Christmas
Baby, it's true
I don't need nothing but you

Don't really care if I've been naughty or nice
I hear they're taking me off the list
They say I've gone and lost my Christmas cheer
But tonight you got me smiling like the Grinch

I don't need nothing for Christmas
I don't need nothing for Christmas
I don't need nothing for Christmas
Baby, it's true
I don't need nothing but you

(Ain't got no tinsel, got no mistletoe
Ain't no presents underneath no tree
Ripped down my chimney, barred the windows
Know that Santa, he ain't bothering me)

I don't need nothing for Christmas
I don't need nothing for Christmas
I don't need nothing for Christmas
Baby, it's true
I don't need nothing but you
You, you, you, you!

I don't need nothing for Christmas
I don't need nothing for Christmas
I don't need nothing for Christmas
Baby, it's true
I don't need nothing but...
I don't need nothing but you
