

# Doorstep

ANYA

Uh-uh-uh-uhh I've been waiting all day for this  
I'm out of patience, out of time  
So mo-o-o-ove closer, don't hesitate  
Don't be afraid, you won't cross a line  
Fell that bass stays to it like me  
I have nowhere to go, no place I'd rather be  
All the time in the world  
All the time in the world

Clear your mind, it's just you and me  
Clear your mind, it's just you and me  
Leave the world on my doorstep  
Leave the world on my doorstep  
Clear your mind, it's just you and me  
Clear your mind, it's just you and me  
Leave the world on my doorstep  
Leave it behind and get over my doorstep

Boy you-ou-ou-ou look a little timid  
Let's keep the layers strip it down, yeah  
Forget the race, get yourself to me  
Slow down the pace, I think we can agree  
There's no need for the world  
There's no need for the world

Clear your mind, it's just you and me  
Clear your mind, it's just you and me  
Leave the world on my doorstep  
Leave the world on my doorstep  
Clear your mind, it's just you and me  
Clear your mind, it's just you and me  
Leave the world on my doorstep  
Leave it behind and get over my doorstep

(Slow it down, slow it down, slow it down)  
Slow it down  
(Slow it down, slow it down, slow it down)  
Slow it down for me  
(Slow it down, slow it down, slow it down)  
Slow it down  
(Slow it down, slow it down)  
Uh-uh-uh-uhh yeah

Clear your mind, it's just you and me (Yeah yeah)  
Clear your mind, it's just you and me  
Leave the world on my doorstep (Leave it)  
Leave the world on my doorstep  
Clear your mind, it's just you and me (Clear your mind)  
Clear your mind, it's just you and me (Leave it behind, yeah)  
Leave the world on my doorstep  
Leave it behind and get over my doorstep (Leave it behind now)

(Slow it down, slow it down, slow it down)  
Slow it down  
(Slow it down, slow it down, slow it down)  
Slow it down, yeah  
(Slow it down, slow it down, slow it down)

(Slow it down, slow it down, slow it down)  
Slow it down for me
