

Zoom

ANYA

Portrait my pain like [?]
Make me look far from normal
And take a snapshot, make sure you catch the sun in my eyes
And strike my pose, I'll model
I'll model

Zoom in on me
I know you can
You did it before
Bring me in to focus
I know you can
You did it before
Make me a pin up
Or make it a mugshot
I'll be what you want so
(Zoom) in on me
I know you can
You did it before

The moment scream in Kodak
But you already know that
You know just when to click to catch the hurt in my eyes
(Catch the hurt in my eyes)
So go on, take my portrait
My portrait

Zoom in on me
I know you can
You did it before
Bring me in to focus
I know you can
You did it before
Make me a pin up
Or make it a mugshot
I'll be what you want so
(Zoom) in on me
I know you can
You did it before

You make me look so good
Through your lens I look so good
You're the only one who sees me
You might just be the only one who sees me
Yeah
So won't you, won't you, won't you

Zoom in on me, yeah
Won't you, ah
Zoom in on me
(Zoom in on me, yeah)
(Zoom in on me)
Ooh (Zoom) in on me, in on me
(Me)
