

## Down Here

## Anybody Killa

How ya doin', it's me again, underneath the concrete  
Sewage of the underworld, where the fuckin' dead sleep  
Creepin' and crawlin', with the stench of a rat  
You can hear me when I'm comin' but ya don't know where I'm at  
Never seen in the daylight, only in the nighttime  
Huntin' for me somethin' that'll increase my lifeline  
I've seen it all, dead bodies and such  
Ghetto gators goin' crazy when they haven't had they lunch  
The more I kill, the bigger they get  
It's like two Hannibal cannibals and one biscuit  
Who's to blame that my parents hated me  
And put me in the sewer cause they knew I couldn't reach  
Seems like I was there for years  
Before I grew a little bigger and I gave 'em both a scare  
Now I'm addicted to payin' people back  
Sittin' underneath the sewer caps and waitin' for you to pass

Down here  
There ain't no light  
Might not be alright  
Down here  
In these sewers and pipes  
It's always night  
Down here  
There's no sunlight I'm feelin'  
Down here  
Ya have to crawl and find it all appealin'  
Appealin'

Sometimes the tunnels get so small  
I have to army crawl  
My way through  
Can you relate to that?  
I can see up ladies skirts  
on their way to work  
Just for a second  
I see they booty and neder  
Tell 'em Killa

Come and visit us, I know it's somewhere that you wanna be  
Gettin' dirty, life of no luxury  
Even though this road is so swervy  
This place is still home to me

Down here  
There ain't no light  
Might not be alright  
Down here  
In these sewers and pipes  
It's always night  
Down here  
There's no sunlight I'm feelin'  
Down here  
Ya have to crawl and find it all appealin'  
Appealin'

It's always nighttime in the pipelines

I sit in the sewage waist deep and write rhymes  
I know these sewers and which ones are the newest  
And which ones be some underground transit movers  
We like, Swamp Thing down here damn near  
They throw homeless people in, stab 'em cook 'em right there  
I can dive, roll, somersault, tunnel crawl, spring  
I been bitten by so many fuckin' rats it ain't a thing  
I love this, I crawl through your house pipes  
I'm hiding in your shower nozzle pissin' on your wife  
People down here are hungry, they eat muthafuckers  
Everybody's alone, they always eatin' each other  
I came crawlin' out the toilet, into somebody's john  
I walked out and the family started screamin', it was on  
I ran for the fridge and grabbed everything I could  
And then dove in through the kitchen sink and back to the hood  
I met a hooker down here, ya think they bad up there?  
This bitch ain't even have a neder left anywhere  
Just a big hole with nothin' in the middle  
Her ugly ass titties had a rat hangin' and chewin' off of each nipple  
Runnin' through the dark maze, I know my ways  
I know no days, only glowing rays  
Beaming through the sewer hole lids of the streets  
Certain parts, but them parts certainly ain't for me

Down here  
There ain't no light  
Might not be alright  
Down here  
In these sewers and pipes  
It's always night  
Down here  
There's no sunlight I'm feelin'  
Down here  
Ya have to crawl and find it all appealin'  
Appealin'

There's no sunlight  
There's no sunlight  
Down here
