

## Reminding

Anyma

You keep your dreams on a leash  
Reminding you, reminding me  
Neglecting the intercourse  
Reclaiming the imitation

You keep your dreams on a leash  
Reminding you, reminding me  
Neglecting the intercourse  
Reclaiming the imitation  
Those little treats  
Make you search your inner core (reminding you, reminding me)  
And against your expectation  
You keep your dreams on a leash  
Reminding you, reminding me  
Neglecting the intercourse  
Reclaiming the imitation

You keep your dreams on a leash  
Reminding you, reminding me  
Neglecting the intercourse  
Reclaiming the imitation
