

Sacrifice

Anyma

I really feel for you
Oh my heart, it bleeds for you
We all make sacrifices
I really feel for you
Oh my heart, it bleeds for you
We all make sacrifices
We all make sacrifices

I really feel for you
We all make sacrifices
I really feel for you
I really feel for you
We all make sacrifices

I really feel for you
Oh my heart, it bleeds for you
We all make sacrifices
I really feel for you
Oh my heart, it bleeds for you
We all make sacrifices
I really feel for you
Oh my heart, it bleeds for you
We all make sacrifices
We all make sacrifices

I really feel for you
We all make sacrifices
I really feel for you
We all make sacrifices
