

Save Me

Anyma

So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me

Oh, I'm falling (So, save me)
Falling under (So, save me)
Seeking shelter
From the thunder

I-I-I-I-I, I want to be free
I-I-I-I-I, I want to be free
So, save me
So, save me

So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me

Reach your hand out
Oh, I wonder
Will your warm heart
Bring me comfort

I-I-I-I-I, I want to be free
I-I-I-I-I, I want to be free
So, save me
So, save me
I-I-I-I-I, I want to be free
So, save me
So, save me
I-I-I-I-I, I want to be free
So, save me
So, save me

So, save me
So, save me
So, save me
So, save me
So, save me
So, save me

So, save me
So, save me

I-I-I-I-I, I want to be free
I-I-I-I-I, I want to be free
So, save me
So, save me

So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
So, save me
