

# The Light

Anyma

Cold start  
Breathe, dark  
Fall, swim  
Jump in  
Serve, he  
Kiss sweet  
Slow burn  
Hearts yearn for

The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light

Cold start  
Breathe, dark  
Fall, swim  
Jump in  
Serve, he  
Kiss sweet  
Slow burn  
Hearts yearn for

The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light  
The light, the light, the light, the light, the light
