

Walking With A Ghost

Anyma

You fall apart, you're falling again
It feels unlike anything, surrender
If freedom is a ghostly feel
We must make it physical
You know (You know, you know, you know)

You wanna know when you come to me
How would I know what you cannot feel
You say my eyes are an endless sea
The dark in you is the dark in me
You wanna know how we can be free
You only hear what you want to hear
You say my tears are an endless sea
I am an echo until I'm walking with a ghost

You wanna know when you come to me
How would I know what you cannot feel
You say my eyes are an endless sea
The dark in you is the dark in me
You wanna know how we can be free
You only hear what you want to hear
You say my tears are an endless sea
I am an echo until I'm free

Surrender
