Anyma

And I'm back in this bitch, I'm alive and I'm filth', ha
And I'm back in this bitch, only time in this bitch, yeah
I see you watchin' me, yeah, ha
I think it's time for me to leave

And it's time to decide what you wanna do
Time for you to find a move
I can tell when my life get blurry
I can tell 'cause the lights get blurry
And I don't have nothin' to lose
And it's-, and it's-, and it's scary
And I don't got nothin' to prove
And it's-, and it's-, and it's worryin'

They gon' milk you for your loot
Call that-, call that-, call that dairy
Yeah, I like to pick and choose
'Cause they-, 'cause they-, 'cause they berries
I'ma tell you everything but the truth
Got bands inside, this the 'Vert
Yeah, they don't really like to see the proof
Yeah, everything they see that's the

Work, work, work, work, work
Work, work, work, work, work

And I'm back in this bitch, I'm alive and I'm filth'
And I'm back in this bitch, only time in this bitch
I see you watchin' me, yeah
I think it's time for me to leave

Yeah, she was lookin' at me with her friends
It's time for me to leave, yeah
Perc' in the sock, got friends
Fuck on a side, I got lean, yeah
She don't wanna suck, I leave, yeah
Tinted, this, all 'bout me, yeah
No Chanel, but you know I'ma see
Fuck on a side, I got lean

Ooh, who's that cleanin' up for me?
Ooh, just lay that pussy up for me
Ooh, you know this life ain't come free, yeah
Ooh, you know this money I make for me
Work, work, work, work, work
You know this money I make for me
Work, work, work, work, work
Everything they see, that's the

Work
Work
Work, work, work, work, work
Everything they see, that's the
