

## Because

## Anything Box

Because you're afraid,  
You live in the darkness.  
Because you're alone,  
You think no one hears  
You. but I'm still alive.  
And I'm not afraid.  
I'm still alive, and  
I'm here to listen...  
To anything you say,  
Anything you need,  
Anything you want,  
Anything you plead,  
Because I love you,  
Because I love you,  
And I'm not afraid.  
I'm not afraid...  
Not anymore...
