Hey baby come on don't be shy
Tell me about yourself, this fantastic feeling
Your eyes are nailed on me, focused on me
I can tell but I act like I can't

One step, come closer
Two step , come closer
Come a little closer
This electric moment is about to burst

What is this trembling? Never felt this feeling
What's wrong with my heart? I think it's gone crazy
We know that there's a strong attraction
You can want me all you want
Just let's dance

Shake your butt
Bingle bangle, bang bang, bingle bangle
Shake your butt
Bingle bangle, bang bang, bingle bangle
Shake your butt

This risky feeling
This sweet healing
Show me confidently
Captivate me with your charm
Take my heart
Don't stop right there vaguely

One step, come closer
Two step , come closer
Come a little closer
This electric moment is about to burst

What is this trembling? Never felt this feeling

What's wrong with my heart? I think it's gone crazy
We know that there's a strong attraction
You can want me all you want
Just let's dance

Shake your butt
Bingle bangle, bang bang, bingle bangle
Shake your butt
Bingle bangle, bang bang, bingle bangle
Shake your butt

Bingle bangle, bingle bangle
I've been waiting, this is the end today
Ding dong dang dong, shake it baby
You and me, it's a fun party
One step, don't mind the others
Two step, dance all you want
Yes, that's what I want
Just let's dance before the night is over
I like that

Is it getting hotter? Are you feeling it?
We connected just with our eyes from the start
We know, we want each other
You can want me all you want
Just let's dance

Make love, take it easy
I wanna dance all night
Come here for the reason , let's dance
Fill me up with your love right now
Show here for the reason

Shake your butt
Bingle bangle, bang bang, bingle bangle
Shake your butt
Bingle bangle, bang bang, bingle bangle
Shake your butt
