I don't need you, I will kick you  
Ah ah ah I wanna say good bye to you  
Why - without me, you're  
A guy with no charm huh  
Don't kid yourself please  
You don't wanna talking about  
You believed me when I said  
You were different than other guys  
Go away, get out get out get out get out  
Get out of my sight

When you said you were busy or anything else  
I believed your lie  
Go away, get out get out get out get out  
You played with me

I can't believe it oh oh oh...  
Are you out of your mind? oh oh oh...  
Now it's really over

A prettier girl than me  
A nicer girl than me  
You won't find a girl like that in your life ever again  
Snap out of it fool

A prettier girl than me  
A nicer girl than me  
There may be girls like that but they'll never be yours  
Fool, fool, why don't you know?

I was precious to you in the beginning  
You loved me but now are you sick of me?  
Go away, get out get out get out get out  
Don't check anyone out but just go away

I can't believe it oh oh oh...  
Are you out of your mind? oh oh oh...  
Now it's really over

A prettier girl than me  
A nicer girl than me  
You won't find a girl like that in your life ever again  
Snap out of it fool

A prettier girl than me  
A nicer girl than me  
There may be girls like that but they'll never be yours  
Fool, fool, why don't you know?

Oh you're the one who chased after me  
I'm the one who accepted you  
I accepted you, the loser  
And turned you into a hot guy  
Your eyes that only looked at me  
Is now looking here and there, round and round  
There won't ever be  
A person who will accept charm-less you, never

Now I really don't like you  
Even if you kneel and beg oh

A guy better than you  
A guy hotter than you  
There's a lot of guys like that  
They're lining up before me right now

I didn't love you  
I only dated you because you begged me  
Don't think about me, you're more pathetic  
Fool, fool, why don't you know?

Ha i yah la ha i ya oh oh oh...  
Will you snap out of it now?
