Yeah oh, ooh no

Why are you you trying to be clever again
This is my limit, goodbye
Your lies, that's a habit
Or don't be caught

You say that you're tired, pretend to sleep early
You think that I'm not gonna know
You're dancing with some other girl all night
If you like it so much, why are you dating me

Tonight Ladi Dadi
Just a little naughty naughty
So that you can see me like this
Hot all night long
Like this Ladi Dadi
A party that won't end
After you left, every day fiesta

Oh until this night is over
Oh I'm all in oh oh
Tonight Ladi Dadi
Hot today party
Like you enjoyed it, every day fiesta

Don't kneel, you beg me a few times
You have no pride
When you laughed it off
I pretended like I didn't notice

You'd get angry and turn away again, again
You'd be in another girl's arms again, again
Faking a smile again, again
And you'd forget about me all night long
There's no point in explaining anymore
Please stop making excuses without a reason
No more with your excuse that you can't help it

Tonight Ladi Dadi
Just a little naughty naughty
So that you can see me like this
Hot all night long
Like this Ladi Dadi
A party that won't end
After you left, every day fiesta

Oh until this night is over
Oh I'm all in oh oh
Tonight Ladi Dadi

Like you enjoyed it, every day fiesta
