

# Phoenix

Aoife O'Donovan

Time's not the villain  
Coming up behind you is a marigold sun  
Love if you're willing take a little more time

I smell fire  
It's coming from the flames that are dancing on my wings  
I'm a bird on a wire  
Killing time

Fever's got me shaking  
It rises up like a road to meet me  
Fever's got me quaking  
Like san andreas fault

Just put a cloth to my brow  
I'll soar like a phoenix from the ashes  
Put a pretty blanket down  
I'm ready now

Looking for forgiveness  
Looking in every cupboard in every room  
I'm bearing witness  
To the passing time

But the clock is ticking  
Like an old man singing at the top of his lungs  
And the light is flickering  
We're running out  
Fever's got me shaking

It rises up like a road to meet me  
Fever's got me quaking  
Like san andreas fault

Just put a cloth to my brow  
I'll soar like a phoenix from the ashes  
Put a pretty blanket down  
I'm ready now

Everybody's looking for somebody to blame  
The stages of sadness how many can you name  
I stopped at anger, never felt the same

They say it'll fade my scars  
My tears will dry and i'll lie under  
The stars again, not wondering where you are

Fever's got me shaking  
It rises up like a road to meet me  
Fever's got me quaking  
Like san andreas fault

Just put a cloth to my brow  
I'll soar like a phoenix from the ashes  
Put a pretty blanket down  
I'm ready now
