

Losing Myself

AP Dhillon

Din nu teri yaad
Tere supne raatan nu
Deve kaun hungara
Merian paian baatan nu

Din nu teri yaad
Tere supne raatan nu
Deve kaun hungara
Merian paian baatan nu

Sochan sham savere ni
Tu kiyon na mere nede ni
Mod ke kaun liave dasde
Khushian saade vehde ni

Tere ditte jakhma nu
Bhar sakdi ein toon

Din nu teri yaad
Tere supne raatan nu
Deve kaun hungara
Merian paian baatan nu
Din nu teri yaad
Tere supne raatan nu

Tainu dil da haal sunaawan
Je sunana chanveh toon
Tainu vapis mod liawan
Je mudna chanveh toon

Tera surma karda kehar kude
Saadi jholi paa de khair kude
Teri takni oh kam kardi a
Jo kar na sakda zehar kude

Kadh laven tu jaan
Te jinda kar sakdi ein toon
Din nu teri yaad
Tere supne raatan nu
Deve kaun hungara
Merian paian baatan nu

Din nu teri yaad
Tere supne raatan nu

That's my baby that's my baby
Fact she waited her persuasion
Heart detain me, and I can't take it
All about you
Different occasion, I upgraded
Gunna amazing, told you I made it
Say we can make it, I won't trade it
All about you (all about you)
I keep it true
Your body warm-blooded, I keep it cool
I pull up with Rolls Royces, stars on the roof
She wanna come over, I set the mood

I got your groove
This ain't no new money I'm showing you
He's on a old body, you ain't touching new
But you're certified diamonds, colorful
Shove it all the time to keep your stomach full

Din nu teri yaad
Tere supne raatan nu
Deve kaun hungara
Merian paian baatan nu

That's my baby, that's my baby
Sochan sham savere ni
That's my baby, that's my baby
Tu kiyon na mere nede ni
That's my baby, that's my baby
All about you (all about you)

Kadh laven tu jaan
Te jinda kar sakdi ein toon
Din nu teri yaad
Tere supne raatan nu
Deve kaun hungara
Merian paian baatan nu
Din nu teri yaad
Tere supne raatan nu

That's my baby, that's my baby
