Ahhh ok I get it
You man think I'm a donut?
You man think I'm a jokeman?
Come we hash it out like grown ups
I dunno what you thought but
Don't insult us (Oi don't insult us)
I don't really talk too much like bro does
Everything that comes out my mouth is gold dust
24 karat raps I just shot dem
Pick any flow you like I got options
Ask when I come nice I say often
They ask if I want peace, I want problems
Who's on what let's wait and see
Me and AP had AP dreams
Me and AP got AP money
Now we don't watch nothin' like we hate TV
Gut lagi gharhi de aa nagg dadsde ni

Asi hisab nal jeene aa kitab nal nhi
Gut lagi gharhi de aa nagg dadsde ni
Asi hisab nal jeene aa kitab nal nhi
