Distance, ya never got

Distance, distance  
Distance, distance  
Distance, distance

You dared to try and make it  
Flawless, you're gonna fake it  
Fallin' into the mainstream  
Why don't you follow your dreams?

Why don't you follow your dreams?

Distance, distance  
Distance, distance  
Distance, distance

Distance, distance  
Distance, distance  
Distance, distance

You dared to try and make it  
Flawless, you're gonna fake it  
Fallin' into the mainstream  
Why don't you follow your dreams?

Why don't you follow your dreams?

You dared to try and make it  
Flawless, you're gonna fake it  
Fallin' into the mainstream  
Why don't you follow your dreams?
