

It's about to go down  
(It's about to go down)

Y'all can't see me, hot like panini  
Moves like Fushigi, never let you be me  
Now you gettin' psyched out, thrown like it's Wipeout  
Keep runnin' your mouth, step to me and you might find out  
Pipes out the Civic, yes, you know I stay poppin'  
ODST, orbit bitches wanna drop in  
I'm a straight fool with the funds, stay coppin'  
Keep runnin' your mouth, I'mma hit you like a Bop-It, yes, uh

Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down

Keep runnin' your mouth, it's about to go down  
Check the Yellow Pages, son, yeah, my name gets around  
Put 'em up, stick 'em up, try to swing on me  
Yeah, you'll be seein' stars in 1, 2, 3  
Yo, I'm mean like an ogre, I'm not drunk, I'm sober  
I'm pissed off, I'm flared up, I'm 'bout to go corrupt  
Unlace the 'Didas, my neck is a freezer  
JK, my shit's cheap, I can't afford no VVS

Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down

It's about to go down  
It's about to go down  
It's about to go down  
It's about to go down  
It's about to go down  
It's about to go down  
It's ab-  
You'll be seein' stars in 1, 2, 3, now

Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth-  
Keep runnin' your mouth it's about to go-  
Keep runnin' your mouth, it's about to go down  
You'll be seein' stars in 1, 2, 3, now

Pipes out the Civic, yes, you know I stay poppin'  
ODST, orbit bitches wanna drop in  
I'm a straight fool with the funds, stay coppin'  
Keep runnin' your mouth, I'mma hit you like a Bop-It, yes, uh

Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down  
K-Keep runnin' your mouth, it's about to go down

Keep runnin' your mouth, it's about to go down
