

Jimmy Shake

Apashe

All the way up like a blimp
High and hard like a brick
No diving to the crib
Shake it, shake it, lick to the mix
Take a slip of this, jump off the highest cliff
No diving to the crib
Shake it, shake it lick to the mix
All the way up like a blimp
High and hard like a brick
Hop on it, hop on it, hop hop
Hop on it, hop on it quick
Take a slip of this, jump off the highest cliff
No diving to the crib
Shake it, shake it lick to the mix

Hey, ya, ya, hey
