

No Twerk

Apashe

Nineteen, skin color: Dairy Queen
White pill, gin and tonic with some grenadine
Eyes open like they've never seen a dance floor
Pumping like that shawty full of creatine, baby
Them bitties all trying to shake ass
Hear they break glass, twenty dollar booty, no class
They getting bad
Sweating, trying to get a glass of water
'Cause they acting like they're motherfucking Billy Ray daughte
r
Flat ass, twerk team, twenty-fourteen
Baby, I ain't seen nothing up in your jeans
Get the fuck out!

Oh, all of a sudden you're a bad bitch
Just got a fat ass like it's magic
And now you're trying to shake it like ratchet
I'm guessing they must call you "Go Gadget!"
Oh, all of a sudden you're a bad bitch
Just got a fat ass like it's magic
And now you're trying to shake it like ratchet
I'm guessing they must call you "Go Gadget!"

Oh Gadget!
