Revenge is a must
Boy wan' test, get buried in dust
Six foot deep, man, I leave a boy under
Under cocaine I needed that 'cause
Payback time but I show no remorse
On my God, 'cause I like good pose
Bad man dem, they comin' like Judas
Wan' see me on the nail and cross

Everybody listen, everybody listen
Time know the way, the clock t-t-ticking
Everybody listen, everybody listen
Time know the way, the clock t-t-ticking

Revenge is a must
Boy wan' test, get buried in dust
Six foot deep, man, I leave a boy under
Under cocaine I needed that 'cause

Revenge is a must

I want dem
I seek revenge and I know I want dem
Revenge is a must
Boy wan' test, get buried in dust
