Blindness Blindness

Look down!

Look down, you're talking to your highness
Can't see me, I'm the reason for your blindness
They try this, but I'm too classy for your lines
Got my double cups up, that's the reason that I'm like this

Look down, you're talking to your highness
Can't see me, I'm the reason for your blindness
They try this, but I'm too classy for your lines
Got my double cups up, that's the reason that I'm like this

Like this... [repeats]

Double cups up, that's the reason that I'm like this

Hear the black, hear the black, like this
Hear the black, hear the black, like this

Look down, you're talking to your highness
Can't see me, I'm the reason for your blindness
They try this, but I'm too classy for your lines
Got my double cups up, that's the reason that I'm like this

Hear the black, hear the black
Hear the black, hear the black
Hear the black, hear the black
Hear the black, hear the black
Hear the black, hear the black

Look down, you're talking to your highness
Can't see me, I'm the reason for your blindness
They try this, but I'm too classy for your lines
Got my double cups up, that's the reason that I'm like this

Like this... [repeats]

Double cups up, that's the reason that I'm like this
