

Time Warp

Apashe

Wait
Time won't wait for you
In my veins
Wait
Time won't wait for you
In my veins

Pray for money, yeah
That's my shit baby, yeah
(Yeah)

Burn me slowly, yeah
Hurt me slowly, yeah
(Yeah)

Night only here for a moment
Making me work in the morning
Taking my time you disown me
Gettin' tired of these kisses every morning

Wait
Time won't wait for you
In my veins
Wait
Time won't wait for you
In my veins

(For you)

Burn me slowly, yeah
Hurt me slowly, yeah
(Yeah)
