

## East Coast Rapist

Apathy

I'm body baggin everything in sight  
The site of a mass murder  
A White dude rippin mic's... rare as black surfer  
Ap serve ya  
Do a surgical procedures on speakers  
Til the EMT's are pullin off these emcee's sneakers  
I ain't grow up like Leave It To Beaver  
Or Mike Seaver  
I'm from where the white trash invented the wife beater  
Hallelujah...  
Born in the sewer like Michaelangelo  
Donatello and Splinter  
Then sent to earth with the antidote  
To wipe out wackness  
Strike out fast as  
Cobra fangs  
Blow ya brains  
No remains just ashes  
These days people get amazed by the mental  
Cause I'm secretive as rituals in Masonic temples  
I don't care if they from suburbs, or raised in the ghetto  
They grab they pad and they pencil and start tracin' my stencil  
Why you prayin' to god to get a taste of the devil  
How you tryna be real... when ya made by Gepetto  
You lil' marionettes...  
Swear ya carryin' techs  
I'll incinerate ya flesh...  
Then bury the rest  
I'm east coast as they get  
On any stage they put me on  
Came out the womb with Timbs and a hoodie on... East... Coast... Rapist

It ain't hard to tell, I'm the East Coast Overdoser  
Got East Coast locked down, pad lock

I'll make you curse the day you were born  
The way you was formed  
Make you wish you was the stain on the page of a porn  
I don't take the bull by the horns  
I'll rip the horns from his cranium  
I'm nuclear...  
Urine test's fulla uranium  
Radioactive... my radio's massive  
Like I'm Radio Raheem  
Keep the police passive  
Cause...  
Nobody want it  
I'm hotter than fire feels  
Karate chop cop cars and punch thru riot shields  
I'm the bionic man  
I'm Lee Majors  
Sellin crack in the 80's  
With 3 pagers  
I'm the east coast beat killer and rapist  
Police sketches identify our faces  
I murdered the mic in about 48 states  
What I do to mixtapes'll

Catch me a rape case  
Too many faggots gettin money  
Get ya paper straight  
Ya'll are gay as a dude usin a shake weight  
Ya'll are snake bait... rats in the boa's tank  
Sayin you killin shit...  
Muthafucker you know you ain't
