

## Speak Ya Clout

Apathy

Demigod Scoundrel and my name is A.P. (3x)  
Demigod Scoundrel  
Last year, my record company was jumpin me  
I wrote "Fuck You" to show they couldn't fuck with me  
And I never got dropped but I needed to do something quick  
So I'm packin up my bags and I'm jumpin ship  
I write rhymes like a pimp, always gettin my dick licked  
Bitches sweat my "notebook" more than that chick flick  
I'm nice with the rhymes but I'm nicer with the ladies  
Leaving "boxers" on the floor like Tyson in the 80s  
I'm a D.E.M.I.G.O.D.  
Add a Z on the end cause I brought my friends  
I'm known to fist fight quick and rock bright white kicks  
Steal the show from bigger acts with the white stripe shit  
I'm a arrogant fuck that keeps tearin it up  
My dicks so big ya chick think I'm wearin a cup  
I never ever rock Bapes people think they so hot  
Nikes are transformers, Bathing Apes are Go-Bots  
But back to the label shit, they not doin nothin  
And I'm sick of tellin fans I don't know when it's comin  
They just put out Lupe, they sleepin on Saigon  
Barely gave little brother love fuck it I'm gone
