

# I Want To Live

Aphrodite's Child

I want to live  
Where they'll change what they have done, yeah  
I must die  
Cold and shunned by the sun, yeaheaheah

Why should I stay  
Where there are people that hate?  
The things I need  
And making me wait, yeaheaheah

They will teach you the hows instead of the why's  
They will turn your truth into lies

I feel like crying  
When I'm groping for a way  
To stop it from going  
'Cause I want it, want it to stay, yeaheah

They will teach you the hows instead of the why's  
They will turn your truth into lies

I wanna live  
Try, look and understand  
I needed you to take hold of my hand

And pull me up, yeaheaheah  
I feel but I can't, yes, I do

I wanna, I wanna live  
Yes, I want to live, baby  
To feel and  
I'm gonna lose it, yeah
