## Aphyxion

Entwined by the culture he raped  
The day of reckoning is near  
We shall breathe once again,  
Think free thoughts as free men,  
It's time for us to realize ourselves  
Realize ourselves  
Reach out, take control of your life  
Do not stumble, have no fear  
You are free, you are unique  
Civilisation's peak  
We are the free men

This is how we shape desperation  
This is how we shape the fear of death  
This is how we shape exploitation  
Wake up, wake up, wake up  
A plague on the human mind, we are dying inside  
Like cancer, tearing you up from inside  
Tearing you up from inside  
Like cancer  
Tearing you up from inside  
This is how we shape desperation  
This is how we shape the fear of death  
This is how we shape exploitation  
Wake up, wake up, wake up  
The day of reckoning is here!  
We are breathing once again!  
Thinking free thoughts,  
We are free men
