Slightly, slightly, aigoo
Slightly, slightly, slighty
Slightly, slightly, aigoo
Slightly, aigoo
I'm a ribbon cat, try to catch me
(It must be a bit fun, oh like, it must be so exciting)
I want to follow you around, I want to go wherever
(You're a caught Jerry, I'm Tom, who will catch you, go)

Bubibubibububu, I feel good
You already know that I like you

My eyes sparkle, filled with curiosity
I want to get to know you
I don't know anything, please teach me
I want to know everything

I'm so, I'm so, ah
Willing to pick the stars and moon from the sky oh
Come to me as your hot self,
So I can get more of a rush
I want to fly high ah, to hide and look at you
Look at you without you knowing, without you knowing eh
What to do with myself, I like you so much
What to do, la la la la la la la

Slightly, slightly, aigoo
Slightly, aigoo

Bubibubibububu, on this feel good day
You already know everything, I love you

My eyes sparkle, filled with curiosity
I want to get to know you
I don't know anything, please teach me
I want to know everything

I'm so, I'm so, ah
Willing to pick the stars and moon from the sky oh
Come to me as your hot self,
So I can get more of a rush
I want to fly high ah, to hide and look at you
Look at you without you knowing, without you knowing eh
What to do with myself, I like you so much
What to do, la la la la la la la

I look at you, looking at me
But I'll go to you just once
I'll put on a pretty ribbon and show you
I will slightly, slightly wink at you

I'm so, I'm so, ah
Willing to pick the stars and moon from the sky oh
Come to me as your hot self,
So I can get more of a rush
Secretly, secretly oh, slowly come
I might go into hiding oh
What to do with myself, I like you so much
What to do, la la la la la la la
