I will not always fade
Blue green light

What was clearer than days gone by
The traces of the hot sun

Than a beautiful flower
More brilliant green
To be filled in my heart
Like a long-lived longing
I want to stain you

Sometimes it will shake my mind
Like a fading flower

Do not be anxious
I'll be staring at you

Than a beautiful flower
More brilliant green
To be filled in my heart
Like a gentle impulse
I will whisper love to you

Happy
From our first day of spring
I love you more than the hot sun

Than a beautiful flower
More brilliant green
To be filled in my heart
It is a gentle wind
I want to stay inside you

Forever
I love you forever
