I think I like you
A lot more than you like me
More than I like myself
So please care for me and love me even more
Like a fool, like a child,
I keep wanting to check
Baby, I can't hide my bursting heart
Listen to my heart

I love you, I do, I like you, I do
I'm happier than anyone in the world oh baby
My heart is pounding,
You make me tremble, boy
Ttubirup ttubirup
I love you, will you hold me tight?
Ttubirup ttubirup

Tell me every day, tell me you miss me,
I want to make sure
Pretend you don't know, tell me again,
Tell me you love me

Yesterday and today, until I go to sleep,
I'm only thinking about you
Baby, stay by my side, if you can hear my heart
Listen to my heart

I love you, I do, I like you, I do
I'm happier than anyone in the world oh baby
My heart is pounding,
You make me tremble, boy
Ttubirup ttubirup
I love you, will you hold me tight?

I caught you red-handed
If you keep looking at other girls, I'll get mad
I can't believe you
Tell me that I'm the prettiest right now

I'm actually getting nervous,
I can't believe I'm like this
You keep entering deep inside me,
I can't stop it now
Only look at me, will you promise me?

I love you, I do, I like you, I do
I'm happier than anyone in the world oh baby
My heart is pounding,
You make me tremble, boy
Ttubirup ttubirup
I love you, I will only love you

I love you, I do, I like you, I do
I'm happier than anyone in the world oh baby
My heart is pounding,
You make me tremble, boy
