You don't know
No one else knows, how I pretend to be pretty
I don't smile anywhere else, for real
I pretend to be firm,
When I'm alone, I pretend to be strong
Sometimes, it's so hard
But if it's you
I really want to lean on you
Do you know my heart?

I need you, always loving you
Only me, only me
The person to take care of me and my tangled up heart
Hug me, caress me
I make a wish

(Dubidu o pa pa)
Why do I keep thinking of you today?
Forever you
Oh oh oh oh I need you

One day, I was like this
I cried in the back, hiding
Oh oh, I wanted you to scold that person who made me cry
Though I was sad, I pretended to smile
Though it hurt, I pretended it didn't
Will you wordlessly hug me?

If you're a real man
You won't make a girl cry
Do you know that?

I need you, always loving you
Only me, only me
The person to take care of me and my tangled up heart
Hug me, caress me
I make a wish

(Dubidu o pa pa)
Why do I keep thinking of you today?
Forever you
Oh oh oh oh I need you

Do you remember fall in love

Even if everyone else disappears
The one person who will protect me
You're the one love inside my heart
I need you

Only me, only me
A person who will only look at me and hold me tight
Kiss me with your eyes closed

We're floating on top of the clouds
(Dubidu o pa pa)
Why do tears keep coming today?

Can you see it?

Oh oh oh oh, I need you, oppa
Oh oh oh oh, I need you, oppa
I need you
