The sunshine is so nice today
The wind feels so cool, so nice
Time goes by so quickly these days
When I'm with you
The day we first met, seems like yesterday
Every day is so new
When this fall passes
When the cold winter is over
Again

The white flowers
Of the spring day

When we first met
The alleyway
That we walked on
Just like I miss those days
I hope you feel the same way

I'm starting my day with you
When I open my eyes, I think of you, it's you

It has gotten cold, let's have a cup of coffee
Let's make memories that we'll long for again
When this fall passes
When the cold winter is over
Again

The scent of the coffee in the fall
As I am with you
The streets that we walk together so closely
Some day
When I long for these moments
I hope you feel the same way

That spring, this fall
That spring, this fall
When we reminisce about each other
I hope we'll be together then too

The white flowers of the spring day
When we first met
The alleyway that we walked on
Just like
I miss those days
I hope you feel the same way
