Like slippery soap
Get out and get out
Like a breathtaking bubble
If you touch it

Veiled
Everything is a secret
A child who flies from an unknown star
Like a sleeping boy over a frosted window
Oh boy

Kok kok gets sick
You are getting more and more
Fly away and hide
I want to peek at you
Poke a kok koker
I want to know intimately
If you knock
I pray to you every day

Kok kok
Kok kok

Spiky
I'm sick just because I'm tired
I am sad
You can laugh and hide

I was afraid if I stopped interested
It does not get any easier
If I laugh and disappear
What's this all the time?

Kok kok gets sick
You are getting more and more
Fly away and hide
I want to peek at you
Poke a kok koker
I want to know intimately
If you knock
I pray to you every day

I do not have a good expression
What the hell are you thinking
I do not know the inside of it
I do not feel comfortable
I do not know what it is
However
Why do you keep going?
I am I

Kok kok gets sick
You are getting more and more

Fly away and hide
I want to peek at you
Poke a kok koker
I want to know intimately
If you knock
I pray to you every day
