You know you know
You know you know
You know you know

I sent you a message yesterday
I keep seeing you again
Even with a friend, I only see my cell phone
But I think
I feel it
Personality is just fine

I keep pushing his picture
I'm a little nervous about other women's comments
But I know
You can not go ahead alone alright

Okay it's nothing
Just keep pushing
I want to leave my heart
Okay it's nothing
Careful
Can not you send my heart
Good

You've been a little ambiguous yet
I want to see you first
You've been a little ambiguous yet
Can not you send my heart
Good

I think I'm kidding
It's nice to be alone, but it's a little awkward
Do you know
I wonder what you're talking about

It's okay
Press
I want to leave my heart
Okay it's nothing
Care
Can not you send my heart
Good

Why do I post a beautiful photo?
Because of you
I know why I buy pretty clothes
Stay

It's okay
Press
I want to leave my heart
Okay it's nothing
Care
Can not you send my heart
Good

You've been a little ambiguous yet
I want to see you first
You've been a little ambiguous yet

Can not you send my heart
Good
