Oh love love love

Your voice that sweetly wakes me
Your scent at the tip of my nose
Your smile so beautiful that it makes me sad
(Your smile)
The times I was happy in your arms
Now it's just my sad story of the past
The wind blows
Just like the day you held me
Do you sometimes get locked in memories
And think of me like I do?

On rainy days
I'm at that place
I hope you're the same as me
Cause I miss you

Your voice that sweetly wakes me
Your scent at the tip of my nose
Your smile so beautiful that it makes me sad
(Your smile)
The times I was happy in your arms
Now it's just my sad story of the past

Na na na na na na
Na na na na na na

The flowers scatter
Like the place where you kissed me
On this street melting with sunlight
I think of you
I hope you're the same
Cause I miss you

Your voice that sweetly wakes me
Your scent at the tip of my nose
Your smile so beautiful that it makes me sad
(Your smile)
The times I was happy in your arms
Now it's just my sad story of the past

I wanna believe that it's not over yet
If you feel the same way
Without a word, come to me
Like it's the first time

Your voice that sweetly wakes me
Your scent at the tip of my nose
Your smile so beautiful that it makes me sad
(Your smile)
The times I was happy in your arms
Now it's just my sad
But still precious story

Your scent, smile
Oh love love love
