Don't be sad no no no, you're not alone no no no
You always became a light for me
Hold my hand, come and lean on me
I'll always be your strength
You came to me when I was struggling
You softly came to me and kissed me
You embraced me like magic
I never felt like this before

Are things hard for you too sometimes?
Why are you being sad by yourself?
When the lights turn off one by one
I'll shine on you

Don't be sad no no no, you're not alone no no no
You always became a light for me
Hold my hand, come and lean on me
I'll always be your strength

You had so many dreams and when you were feeling nervous
You hoped for a miracle out of the many hardships
I've never seen you being shaken
By the continuous wind

Did you hold it in for a long time?
Why are you hanging your head down low without a word?
When people start to leave you one by one in this world
I'll shine on you

Don't be sad no no no, you're not alone no no no

You always became a light for me
Hold my hand, come and lean on me
I'll always be your strength

You always were a strength to me
You always believed in me
When everyone else tells you to stop
I'll become the last love
That you can look upon

Don't be sad no no no, you're not alone no no no
You always became a light for me
Hold my hand, come and lean on me
I'll always be your strength
