Love, love, love, my baby

It seems like a dreaming at the end of exhausted day
Covering me with warmth
My empty mind is full of your scent now
Able to dream forever
Too soft scent and little bit shy trembling
To be honest I'm afraid
Please cheer me up
And hug me tightly

I hope you have the same thinking as me
I hope it'll be bright everyday
You are my only one baby
Able to tremble with you tomorrow as well
Love, love, love, my baby

You comforts me at the cold cloud-filled night
The light called 'you' seems like a kid
I like your eyes which are full of me
Please cover my sorrowful memories
The kid called 'you' makes me happy
I'm falling in love

Too soft scent and little bit shy trembling
I'm afraid you'll leave me
Please cheer me up
And hold my hands tightly

I hope you have the same thinking as me
I hope it'll be bright everyday
You are my only one baby

Able to tremble with you tomorrow as well
Love, love, love, my baby

You're a trembling and it feels new everyday
I hope we won't forget at this moment
Not able to hurt my mind which is grown up with you
Always this feeling feels like a dream
I hope we won't forget at his moment forever
Oh baby

You are my only one baby
Able to tremble with you tomorrow as well
(Able to tremble with you tomorrow as well)
Love, love, love, my baby
