Softly, carefully,  
Sometimes boldly, I wanna go to you

Like a runway  
A bit strongly,  
Sometimes it's okay to be a bit cocky  
Sweetly, softly,  
You'll get addicted to me, oh alright  
Slightly and slowly,  
I'm gonna change you

Oh like a perfume  
I wanna fill your heart with me  
So even your closed heart  
Will be filled with my scent

Oh like a perfume so it'll never disappear  
I wanna stay by your side always  
Oh let me oh let me stay with you

Softly shaking,  
Your slightly fluttering scent is  
Like a cocktail  
Lightly, mysteriously,  
I will circle around you

Sweetly, softly,  
Wrap around me, oh all right  
Slightly and slowly,  
I will spread out

Oh like a perfume  
I wanna fill your heart with me  
So even your closed heart  
Will be filled with my scent

Oh like a perfume so it'll never disappear  
I wanna stay by your side always  
Oh let me oh let me stay with you

Stay now stay now stay now  
Stay now stay now stay now  
Will you slowly accept me more?

Let me be your love  
From your head to your toes,  
To the deepest parts of your heart

Oh please now  
So I can fill you up with me

Oh like a perfume  
As if time has stopped  
Will you always linger near my?  
So love me love me now

Oh like a perfume, I'll always be with you  
I won't disappear, you always you  
Always stay with me
