What should I do? I'm curious
Do you know my heart? No, you still don't
You're just smiling again, stop that
It may not seem like it but I'm really nervous
What did you do to me?
I've never been like this before, why am I like this?
Maybe it's, maybe it's...

It's love, I'm thinking
Should I tell you or not?
Should I tell you or not?
Answer me, again today I'm thinking
Should I tell you or not?
Should I tell you I like you?

Even when I'm looking at you, I miss you
I shouldn't do this but I can't help it

Should I tell you today?
I can't hide my heart anymore
Really it's, really it's

It's love, I'm thinking
Should I tell you or not?
Should I tell you or not?
Answer me, again today I'm thinking
Should I tell you or not?
Should I tell you I like you?

Hold my hand and tell me
I've dreamed of this moment
With you

Should I tell you or not?
Should I tell you or not?
Answer me, again today I'm thinking
Should I tell you or not?
Should I tell you I like you?
