In a day, we fight numerous times and make up
With unbelievable excuses, you changed my heart
I'll rather end it than continuing this

Continuing to bond, and to cry won't help end this
When decided, it should be done
That's how a man like you would come to your senses

Don't say love so easily
Just go now..

Oh mother, no
You're not the person I have been dreaming of
You're small, fat and ugly
You're, no
I know you can't be my prince
You've been thrown away..
I'm gonna throw you away..
A man like you
(It can't be helped, I want to end it now)

Without me, let's see how well you live
You were all talk and pride, you won't even last a day
Because of you I can't even sleep at night..
(Without being helped, I let it pass again) no no no!

Oh mother, no
You're not the person I have been dreaming of
You're small, fat and ugly
You're, no
I know you can't be my prince
You've been thrown away..
I'm gonna throw you away..
A man like you
(But sometimes you're too cute)

You're crying and saying that you were mistaken
You're crying bitterly in front of me
But what's happening
My heart is thumping

Oh mother, you know what
I know that you can become my prince
You've been thrown away..
You've been thrown away.. my prince
(My eyes will forever love only you)
