Listen to my story today
Secrets that no one knew about
(I'll tell you) I love you, I love you
Shout out with a voice that no one can hear

Countless words that lingered in my mouth
I knew I shouldn't do this as I closed my eyes
But I keep seeing him
I'm tellin' this to you
But you don't know why?

You don't wanna be my heart
You don't wanna be my life
I don't understand this moment
Did I say something wrong?
I thought about it
Look around you,
You will always be my love

Countless words that lingered in my mouth
I knew I shouldn't do this as I closed my eyes
But I keep seeing him,
