At the dazzling sunlight,
My heart keeps thumping
Ten times, no twenty times a day,
I keep thinking of you, I wonder if you know how I feel

Always hold my hand, never lie
Only look at me every day and love me
There's more I want to say
But this is what I want to tell you, "I love you"

You, as you hold my hand
You sync your steps with mine
Together let's 1, 2 step
Baby listen to my heart
As we look at each other,
As we hum along
With you, 1, 2 step..
My baby baby my 1, 2 step

1, 2 step 1, 2 step 1, 2 step
1, 2 step eh eh eh eh eh eh
1, 2 step eh eh eh eh eh eh
1, 2 step 1, 2 step

I like your smile,
I look and look but I keep missing you
It feels like a day is too short
I don't know why time spent with you goes by so fast

What are you doing? do you even think of me?
I miss you so much that tears fall
But I still like you,
Because you always make me smile

You, as you hold my hand
You sync your steps with mine
Together let's 1, 2 step
Baby listen to my heart
As we look at each other,
As we hum along
With you, 1, 2 step..
My baby baby my 1, 2 step

Always like now,
Let's dream the same dream
Together let's 1, 2 step
Baby listen to my heart
I don't want to detach from your side
I love you so much
My baby baby, my 1, 2 step
