The pink light reflecting off the waves is so beautiful
Can you hear the tremblings that connect you and I?
I'm waiting for you behind a dark curtain
We feel that invisible something
If we have the same heart,
We can reach each other even if we're far apart

If you wave to me, I can do it
If you believe in me, I can smile
If you call out to me, I'll run to you, whenever, wherever
We will be able to meet
Even in thick darkness, I can find you
I can see each and every one of your eyes
With all my heart, always for you
I'll shout and call out to you, I'll sing

Sometimes, there are days when I wanna cry for no reason
When it's so hard, I wanna sit and not move an inch

Sometimes, you're like a friend, sometimes, you're like a lover
Your unchanging and loud shouts, your true heart
Because of you, I can breathe
Because it's you, I can sing

If you wave to me, I can do it
If you believe in me, I can smile
If you call out to me, I'll run to you, whenever, wherever
We will be able to meet
Even in thick darkness, I can find you
I can see each and every one of your eyes
With all my heart, always for you
I'll shout and call out to you, I'll sing

With an earnest heart of days long past
You're a gift that the sky has given
I'll always stay by your side, let's be each other's stars

When darkness comes to me, shine brightly on me
Always believe in me
When I want to cry, I'll secretly lean on you
Care for me so I can be in pain
We've already spent such a long time together
So I can't be complete without you
With all my heart, always for you
I'm colored by you like this
As if I'm dreaming a dream I don't wanna wake up from
Again today, I'm singing
