My love is u u
When I see you, I keep getting nervous
My everything is u u
I can only see you in my eyes
In my dreams, it's u u u (baby my love)
Every day, it's u u u (I just wanna)
Little by little, slowly, I want to fall into your love
On a morning that is especially sunny
Today is the day I meet you
Last night I picked out
So many outfits
But what do I wear to look even prettier?

Shining shining shining star
You are my super star
No matter what anyone says, no matter what they say
You always look good to me

My love is u u
When I see you, I keep getting nervous
My everything is u u
I can only see you in my eyes
In my dreams, it's u u u (baby my love)
Every day, it's u u u (I just wanna)
Little by little, slowly, I want to fall into your love

Oh my boy, oh my love
Now I'm on my way to meet you
I wore pretty shoes
And a pretty skirt
When I see you, I will brightly smile

Shining shining shining star
You are my super star
No matter what anyone says, no matter what they say
In my eyes, in my eyes, in my eyes, you're perfect

My love is u u
When I see you, I keep getting nervous
My everything is u u
I can only see you in my eyes
In my dreams, it's u u u (baby my love)
Every day, it's u u u (I just wanna)
Little by little, slowly, I want to fall into your love

Chu chu chu, your lips are getting closer
Chu pop chu pop, what should I do?
My love is really you, my everything is really you
Do you feel the same as me? do you have the same heart?

My love is u u

When I see you, I keep getting nervous
My everything is u u
I can only see you in my eyes
In my dreams, it's u u u (baby my love)
Every day, it's u u u (I just wanna)
Little by little, slowly, I want to fall into your love

When I see you, what do I do?
My heart keeps trembling
When I see you, what do I do?
Your love comes to me
All day, I'll think of you
I see you but I miss you
Little by little, slowly, I want to fall into your love
