

# Faraway

## Apocalyptica

**Cmi** **Es**  
There is something in the way  
**Fmi** **G**  
You're always somewhere else  
**Cmi** **Es**  
Feelings have deserted me  
**Fmi** **G**  
To a point of no return  
**AsFmi** **G** **Cmi**  
I don't believe in God  
**As** **Fmi** **G**  
But I pray for you

**C** **G**  
Don't you slip away from me  
**As**  
It's you I live for  
**B**  
Don't you leave no  
**C** **G**  
Don't you slip away from me  
**As** **Fmi** **G**  
I'm vulnerable to your love

**Cmi**  
Don't let them get you  
**Es**  
Stay away from the sun  
**Fmi** **G**  
It's too bright for you  
**Cmi** **Es**  
Your eyes getting blurry  
**Fmi** **G**  
Stay I'm crying your name  
**AsFmi** **G** **Cmi**  
I don't believe in God  
**As** **Fmi** **G**  
But I pray for you

**C** **G**  
Don't you slip away from me  
**As**  
It's you I live for  
**B**  
Don't you leave no  
**C** **G**  
Don't you slip away from me  
**As** **Fmi** **G**  
I'm vulnerable to your love

**Cmi** **Es**  
There is something in the way  
**Fmi** **G**  
You're always somewhere else  
**Cmi** **Es**  
Feelings have deserted me  
**Fmi** **G**

To a point of no return  
**As Fmi G Cmi**  
So the light fades out  
**As Fmi G**  
And you're so close to losing

**C G**  
Don't you slip away from me  
**As**

It's you I live for

**B**  
Don't you leave no

**C G**  
Don't you slip away from me  
**As Fmi G**

I'm vulnerable to your love

**C G**  
Don't you slip away from me  
**As**

It's you I live my life for

**B**  
No don't leave

**C G**  
Don't you slip away from me  
**As Fmi G**

I'm vulnerable to your love  
Don't you slip away
