

Ain't Talkin' 'bout Dub

Apollo 440

Let's go back to the rock
Go back to the rock
And see it at fourforty

Ain't talkin' 'bout dub
Ain't talkin' 'bout dub
Ain't talkin' 'bout dub

Rocker to rocker, raver to raver
Turn up the bass why don't you do us all a favour
Rocker to rocker, raver to raver
Turn up the bass why don't you do us all a favour

Another danger zone
Red alert, another danger zone
Rrrrrred alert

Ain't talkin' 'bout dub
Ain't talkin' 'bout dub
Ain't talkin' 'bout dub
